COMMERCIAL

TRUCK EQUIPMENT CO.

Commercial Truck Equipment is Canada's largest, most stable, and most diversified company serving the work truck industry, the utility industry, and the emergency equipment industry. Since 1947, we continue to provide unmatched job security and a comprehensive list of employee benefits. More than 30% of our team are long-tenured employees with over 15 years of service; evidence of strong employee/employer relationships, effective teamwork, and the benefit of an open-door policy. As Commercial continues to grow and diversify, we are looking for qualified and committed people to join our team. If you are interested in working in a safe, healthy, and collaborative environment with a great team of colleagues, please reply to the contacts in the listing below.

Employee benefits include competitive compensation, medical benefits, dental benefits, life insurance, long term disability, short term disability, company-sponsored matching RRSP plan, profit sharing, boot allowance, tool allowance and replacement program, PPE, training and apprentice opportunities, as well as the opportunity for exceptional career growth.

Overview

Complete diagnostics and repair of electric, hydraulic, and pneumatic controls. Inspect and Repair mechanical and structural components of truck-mounted machines not limited to aerials, crane trucks, and tow trucks. This is a vast scope of work and includes a very limited amount of repetitive work and requires active thinking and an excellent base of knowledge.

Key Competencies

- Combined mechanical, electrical & hydraulic repair, and assembly skills
- General truck body repair experience is considered an asset
- Hydraulic hose routing & system diagnostic experience.
- Welding experience in steel and aluminum
- Fabrication and Welding CWB certification is considered an asset

Qualifications

- Ability to work both individually as well as in a team environment
- Valid Class 5 Driver's License or equivalent
- Journey person is considered an asset
- Inter-provincial Red Seal considered an asset
- Strong commitment to safety
- Detail-oriented, dependable, and punctual
- Commitment to providing outstanding internal/external customer service
- Knowledge of the truck equipment industry is an asset

The ideal candidate should have a proven track record of employment, ideally in a similar industry, a full driving license, a desire to work to a high quality with an understanding of customer service and satisfaction, and be self-motivated. Training and product familiarization will be provided to the successful candidate. We thank all who apply, however, only those who are qualified for the position will be contacted.
